OUR PRODUCT

FOYER – SHOE RACK

Crafted from premium Century BWR Grade Plywood, our custom shoe rack is designed with spacious internal storage shelves and smooth-finish laminate shutters, offering the perfect combination of durability, functionality, and modern elegance for your home's entrance.

LIVING ROOM

Enhance your living space with a premium TV unit featuring a fluted back panel, elegant gold T-strip accents, and a sleek console box, crafted using Century BWR plywood for lasting durability and style. Complete the space with a modern 4-seater dining table, designed to bring comfort, functionality, and timeless sophistication to everyday living.

KITCHEN

Designed with premium BWP grade plywood, the modular kitchen features elegant base cabinets, wall cabinets, and a tall storage unit with a refined laminate finish for maximum durability and style. Smart storage solutions and modern detailing ensure a seamless blend of functionality and contemporary aesthetics.

**DESIGNED FOR
YOUR LIFESTYLE,
BUILT TO LAST A
LIFETIME.**

OUR PRODUCT

MASTER BEDROOM

Experience a perfect blend of luxury and functionality with soft-close loft shutters, premium wardrobes, and a hydraulic storage cot with side tables, crafted using Century BWR grade plywood. Designed for elegant aesthetics, seamless operation, and maximum storage, every element enhances comfort while creating a sophisticated bedroom space.

GUEST BEDROOM

Create a warm and welcoming guest space with premium loft shutters, elegant wardrobes, and a hydraulic storage cot with side tables, crafted from high-quality BWR grade plywood. Combining smart storage, smooth soft-close functionality, and modern finishes, every detail is designed to offer lasting comfort and timeless elegance.
